Professional Summary

With close to a decade of dynamic and innovative experience, I bring invaluable expertise in Graphic Design to the table. I excel in managing multiple creative projects concurrently, from initial concept creation to final execution, with a focus on branding, pre-press, offline media, and social media. My strengths lie in graphic design and visual conceptualization, making me adept at delivering impactful and memorable designs that resonate with target audiences.

What I have to offer?

A passionate graphic designer with nearly a decade of experience in creating impactful and memorable designs. I have held responsible positions in several companies as a Graphic Designer, Art Director, Illustrator, and Layout Artist. I constantly seek to deliver visually appealing and effective solutions that resonate with target audiences, always looking at projects through the lens of creativity and innovation.

What I'm looking for?

- A company that values creativity and fosters a positive work environment.
- Opportunities to collaborate with diverse teams and contribute to impactful projects.
- Continuous learning and growth in the field of graphic design and visual communication.
- A supportive network of colleagues who share a passion for creating exceptional designs.
